Ezra 3

## Rebuilding Worship

2) Worship is \_\_\_\_\_ - \_\_\_\_\_

3) Worship is \_\_\_\_\_ and \_\_\_\_\_.

## Discussion Questions

1) What has God shown you about yourself and your life during the pandemic?

2) What shifts, changes, or new directions are you or would you like to make in your life out of response to #1?

3) When you think about Worship being all of life, how does that change how you live, how you work, how you parent, and all other aspects of life?
