
Re-formed by the Word

Ezra 7

How are we to be FORMED by the Word?

- 1) Be SHAPED by it.
- 2) Be SETTLED in it.
- 3) Be SATURATED in it.
- 4) Be SUBMISSIVE to it.
- 5) Be SENT by it.

Discussion Starters

- 1) If you were to grade yourself on the spiritual discipline of bible intake (reading, studying, and the like) what would you give yourself and why would you give yourself that score? If your score is low, how do you feel like you need to change and why?
- 2) Have there been seasons in your life where you were more consistently in the Word? What changed or what circumstances led you to be more disciplined in the Word at that time? What tools, resources, or strategies have you used to be more consistent in the Word (ie. Bible reading plans, study bible, app on your phone...)?
- 3) How comfortable are you with the idea of being a teacher of God's Word? Jeremy talked about how the bible speaks to every area of life and every relationship in life. Why is it so intimidating to think about teaching the bible?
- 4) How can we be an encouragement and help to one another this week?
