

The Challenge of Staying on Course

Nehemiah 6–7

Staying the Course

Stay ANCHORED to our VALUES, don't get DISTRACTED.

Be GROUNDING in our MISSION, not letting other DEFINE it.

Seek Godly DISCERNMENT, not FOOLISH ADVICE.

PERSEVERE to the END, do not GIVE UP.

Discussion Starters

- 1) When you think about how you spend your time, your money, and what you give your attention to, what would you say your values are? How do your values need to change to be in line with God's values?
- 2) Jeremy talked last week about God's values being the root of who we are to be as Christians. Those values are summed up in our 4L's at EHBC, Live, Lean, Love, Lead. How do we stay anchored to our values in this season we are in right now?
- 3) How have the voices of other people led you to doubt or fear or even wander away as you listen to them and not to God's voice? How can we stay on course when there are so many voices trying to knock us off course?
- 4) How does community like this help us persevere to the end? Who else do you know that doesn't have this type of community and when are you going to invite them to join in?
