## Discussion Questions

- 1) What are the most common barriers to true Christian Community?  
How do we overcome them?
- 2) Look back at Hebrews 10:19-25, what is the most challenging part of that passage to you? Why is that so challenging?
- 3) How can what we looked at in Hebrews 10:19-25 help us as believers accomplish the Great Commission from Matthew 28:16-20? How can we lead lost people to Jesus with our groups?
