## QUESTIONS/DISCUSSION:

1. Honestly, on a scale of 1 to 10, how would you rank your spiritual formation and development? Why did you score yourself that way?
2. What are the obstacles in your daily life that keep you from spending quality as well as a quantity of time in God's Word?
3. Honestly, how would you rate the effectiveness of God's Word in your daily life: very effective, effective, sufficient, less effective, not effective?  
Think in terms of how God's Word impacts your marriage relationship, your parenting relationship, your finances, your choices, your words, your outlook on life, your anxiety, your ability to combat sin and brokenness in your life, to move you to share the gospel with others.
4. What has been your experience in the past with studying God's Word in a small group setting?
