

Community of Missionaries

The Struggle is Real

Our MESSAGE sounds FOOLISH.

Our METHODS are UNATTRACTIVE.

Our MOTIVES are SUSPECT.

Mission in Community

- 1) Our STORIES validate the GOODNESS of the Gospel.
- 2) Christ-Centered COMMUNITY is ATTRACTIVE.
- 3) Shared HOPE is a COMPELLING RATIONALE.

Discussion Questions

- 1) How do you really feel about the idea of sharing the Gospel with someone? Why do you think you feel that way?
- 2) Jeremy made the case that evangelism is a community project. That God intends to use the community of Jesus followers to share Jesus with the lost. How do you feel about that? Does that make the idea of evangelism less threatening?
- 3) Who do you know that is far from God? Have you ever shared Jesus with them? How can this group help you in leading them to faith in Jesus?
- 4) Pray as a group for those named, that God would give you all an opportunity to be a part of leading each of them to faith.
