## Discussion Questions

- 1) Read John 4:1-28. How do you relate most with the Woman at the well?
- 2) How does the idea of “thirst” help you think about your life before Christ? How is that idea still helpful as we try to follow Jesus in our everyday lives? How does it help us share Jesus with others?
- 3) As you think about your story, when and how did you come into contact with Jesus in a way that was more than just a historical figure or a cool dude? When did you meet Jesus in a way that you were confronted with your sinfulness and His grace and forgiveness?
