Discussion Questions

- 1) How do you relate with Zacchaeus's story of battling feeling inadequate and the approval of others?
- 2) Think about what Zacchaeus did to get to Jesus. Sometimes the best thing we can do in our lives is put ourselves in the path of Jesus. How do you do that in your life? In what ways has that impacted your life?
- 3) Thinking of Zacchaeus's story and the story of the rich, young ruler in Luke 18:18-25, the difference in their responses to Jesus was whether they thought He and the life He was offering was worth it. How does your life speak to the worth of Jesus? How are you challenged to live differently?
