

## Psalm 139: Searching for Identity

---

### He Is, We Are

- 1) God KNOWS, We are KNOWN.
- 2) God is PRESENT, We cannot HIDE.
- 3) God CREATED, We are HIS CREATION.

### Our Response

- 1) Let God's THOUGHTS shape our IDENTITY.
- 2) DESPISE the LIES.
- 3) RUN to HIM.

### Discussion Questions

- 1) Why is it so disconcerting to be fully known by God? How is it comforting?
- 2) How is the idea of hiding from God an absurd idea? What are some practical ways we can stop trying to hide from God?
- 3) What are the implications of verses 13-16? Do you find these to be comforting or challenging? Why or why not?
- 4) Jeremy talked about how we are the loudest voice you our lives. How can we change our thoughts in order to not let the influence of outside influence confuse or distort our minds in regards to our identity?
